Sir:

Responsive to the Official Action date 04/ 27 / 2005, please amend the above-referenced Patent Application as following:

According to the examiner's analysis, the applicant elects the invention 1, as the present invention under further examination. That is, the instant invention is restricted to Claim 1 to 15, drawn to a process of making a water proof zipper, classified in class 29 subclass 408, as the elected Claim in the instant invention. The original Claim 16 to 19, will be applied in a divisional application in USPTO at the same time, and claim the domestic priority of the parent application no.:10/734,912.
